OBJECTIVES

This continuing nursing educational (CNE) activity is designed for nurses and other health care professionals who care for and educate patients and their families regarding anemia. For those wishing to obtain CNE credit, an evaluation follows. After studying the information presented in this article, the nurse will be able to:

1. Review the pathophysiology of anemia.
2. State the classifications of anemia.
3. List selected diseases causing anemia.
4. Explain the implications of nursing care for the patient with anemia.

This independent study activity is co-provided by AMSN and Anthony J. Jannetti, Inc. (AJJ).

AJJ is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation (ANCC-COA).

Anthony J. Jannetti, Inc. is a provider approved by the California Board of Registered Nursing, Provider Number, CEP 5387.
