OBJECTIVES

This continuing nursing educational (CNE) activity is designed for nurses and other health care professionals who are care for and educate patients and their families regarding testicular cancer. For those wishing to obtain CNE credit, an evaluation follows. After studying the information presented in this article, the nurse will be able to:

1. Explain the epidemiology and risk factors of testicular cancer.
2. Identify the signs and symptoms, diagnosis, and classification of testicular cancer.
3. Describe the staging and treatment for testicular cancer.
4. Discuss patient education principles for testicular cancer.

This independent study activity is co-provided by AMSN and Anthony J. Jannetti, Inc. (AJJ).

AJJ is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation (ANCC-COA).

Anthony J. Jannetti, Inc. is a provider approved by the California Board of Registered Nursing, Provider Number, CEP 5387.
