OBJECTIVES

This continuing nursing educational (CNE) activity is designed for nurses and other health care professionals who are interested in anemia in older adults. For those wishing to obtain CNE credit, an evaluation follows. After studying the information presented in this article, the nurse will be able to:

1. Explain the prevalence of anemia in older adults.
2. Define the etiology and pathophysiology of anemia.
3. Discuss the outcomes of anemia in the older adult.
4. Describe the diagnosis and management of anemia.

This independent study activity is co-provided by AMSN and Anthony J. Jannetti, Inc. (AJJ).

AJJ is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation (ANCC-COA).

Anthony J. Jannetti, Inc. is a provider approved by the California Board of Registered Nursing, Provider Number, CEP 5387.
